Responses

no it is user friendly

Participant 600091524

POSITIVE

nope not at all.

Participant 597883864

POSITIVE

No, it was solid, just the loading time is maybe a concern for some users but rest is working fine.

Participant 597864052

POSITIVE

Sentiment

Responses

easy to undestand how it works

Participant 600091524

POSITIVE

as i have never used such a platform it was a bit confusing to use .

Participant 597883864

NEGATIVE

Because it's easy to use and college students need these type of easy and useful tools to track their work related to academics and other things.

Participant 597864052

POSITIVE
